

## CLUB DEFIBRILLATOR IS COMING !

Yes members we have a defibrillator on its way and we owe a great deal of thanks to the City of Busselton who have granted \$1440 towards its purchase.

We will be organizing practical hands on training for all members. This will be presented by Jane Grey at a venue to be confirmed.

The unit is fully automatic and guides all users in each and every step of the process. After your training you will be able to use the defibrillator confident that you'll be able to make a difference.

This grant by COB was essential in making this purchase a reality. So thanks once again to our City Council!
